

CREDIT CARD POLICY

School Vision: Building for Eternity

Introduction

1. The Board agrees that it has a responsibility to ensure that credit card expenditure incurred by the School must clearly be linked to the business of the School. The Board has agreed on the fundamental principles of this Policy, and has delegated responsibility for the implementation and monitoring of this Policy to the Principal.
2. The Board requires the Principal, as the chief executive and the Board's most senior employee, to implement and manage this Policy. The Principal may, from time to time, further delegate some of their responsibilities, and all such delegations must be attached as appendices to this policy.
3. This Policy must be read in conjunction with other Board Policies, and the exercising of all authority and responsibilities conferred under this Policy must be in accordance with the Schedule of Delegations and may not exceed an individual's established level of delegated authority.

Process for Issue of Credit Cards

2. A register of cardholders should be maintained.
3. The limits set for credit card use should not exceed the overall financial delegation of the cardholder, as set out in the Schedule of Delegations. Any variations require Board approval.
