SCHOOL VAN Information

Thank you for your donation towards the running costs for the School Van this term!

The School Van is currently operating on a trial basis for Term 4, 2014 as directed by the School Board of Trustees.

The trial basis only covers the west side of Rotorua and until the van is full (12 seater).

A full review of the School Van operation will be discussed at the Whanau meeting at the end of the year. Should you wish to have input into this please come along.

Getting on the van:

Students who are given a place on the school van need to follow these road safety rules to keep themselves safe:

GETTING ON THE VAN:

- Please be prompt for pick up. The school van will wait for 3 minutes only to ensure that we run on time.
- Wait in the designated place—well back from the road.
- Wait until the van has stopped before getting on.
- Get in the van using the door only.
- Put your bag (or anything else you are carrying) under the seat or on your lap.

TRAVELLING IN THE VAN:

- Sit down straight away and remain in your seat for the whole journey.
- Put on your seatbelt securely at all times.
- If you require a booster seat ensure you are on it correctly.
- Put any rubbish in your school bag.
- There is no eating or drinking in the school van.
- Students are to use socially acceptable language when talking to the driver and/or other students, and speak quietly so as they do not distract the driver.
- Students do not harass, bully, or abuse other passengers or the driver in any way, whether verbal or physical.
- Students listen to and follow requirements and instructions of the bus driver at all times.
- Students are to respect the school van at all times e.g no standing on seats or vandalizing the bus in any way.

- Keep your body inside the van at all times. Do not put your head or hands, etc outside of the window.
- Do not throw things out of the van.
- Carry your school bag in front of you when you are getting on and off the us so it doesn't get caught in the door.
- Don't leave the van between home and school unless you have permission from the Principal
- Behave in an appropriate and safe way while on the bus so as not to put the driver or themselves at risk.

GETTING OFF THE VAN:

- Take all your belongings and any rubbish with you.
- Wait until the van has stopped.
- Get off the van using the door carefully without pushing.
- Wait well back from the road until the van has moved away. Then if you need to cross, find a safe place where you can see clearly up and down the road.
- Stand well clear of the van if it is turning or reversing.

Please note: Where a student's behavior is ongoing or a serious problem, the school and the bus operator may decide to withdraw the privilege of a place on the school van. This could be a temporary measure, or in more serious cases, a permanent one.
